People Helping People ■ SUMMER 2008

Crossroads' Scholarship Winners

On Monday, May 19 2008 the credit union honored the Crossroads' Scholarship recipients by holding a reception at the Main Branch. The scholarship winners: David Houston, Lyne Valois Brown, Taylor Roberts, and Dennis Quiroz accepted their awards at the reception; however, Alexis Murphy was unable to attend and her parents accepted the award on her behalf. The scholarship selection committee, along with media and the recipient's friends and family attended the event. My Community FCU was able to award five \$2,000 scholarships based on academic and community achievements. President, Ray Boss, presented each student with a certificate and check for the school of their choice. Boss explained, "Supporting our student's academic and community achievements is something My Community FCU strives for and we are happy to recognize these five students today."

New Name, Same Great Service

The credit union is growing and expanding its service area to Ector County! Our members' needs always come first, that's why we are building more locations to better serve you. It's important that the credit union has a new name that everyone, both new and existing members, can identify with. "My Community Federal Credit Union" is a name that truly reflects our commitment to our members and the communities we call home.

Our newest location opened June 2, 2008 in Odessa! Formerly Permian Basin Credit Union, our Odessa Branch on 2103 North Grandview is now open to all My Community FCU members.

Expanded Services & Upgrades!

My Community FCU has a new name and new locations to serve you. We will also be upgrading many of our services! Beginning in July, Online Bill Pay will have enhanced features to help make bill paying a breeze! And coming in September, My Community FCU will be using a new and improved system allowing faster transactions, which means less wait time, and a new home banking system along with many other member benefits!

To incorporate these changes, member's account numbers will be reduced to seven digits or less as of September 1, 2008. Checks with your old account number and our previous name, Midland Community FCU, will continue to clear for up to 90 days. My Community FCU will provide you with your first box of new checks with your new account number free of charge! More details regarding these changes will be provided. If you have any questions or concerns, please contact a Member Services representative.

We appreciate all of your patience and are excited to bring you these improved services!
